Education

Bachelor of Engineering, Computer Engineering   Toronto, ON
Toronto Metropolitan University (Ryerson University)   *Graduation Date: Apr 2027*

Experience

Baker & Customer Service Representitive   Oct 2023 – Sep 2024
Tim Hortons   *Toronto, ON*
- Arrived as the first employee in the early morning to open up the restaurant and then prepared all the baked goods for sale before opening hours.
- Prepared and served customers a variety of menu items in a faced paced environment, switching between front of house and back of house as needed.
- Occasionally took over a handful of managerial tasks such as managing inventory.

Competitions Team VP   Feb 2023
Metropolitan Engineering Competition   *Toronto, ON*
- Coordinated the design and implementation of several competition events through zoom and slack, and assisted in budget management for each competition.
- spearheaded competition outreach to the student body through multimedia marketing campaigns to achieve an overall turnout of **over 200 students** across all competitions.
- Oversaw competition implementation and contingency troubleshooting to ensure a smooth event experience for all guests.

Marketing Ambassador   Dec 2024 –
TMU Wave Underwater Robotics Team   *Toronto, ON*
- Collaborated with a group of peers to script, draft, film, and edit multi-part marketing materials for school outreach
- assisted in managing multiple social networking sites for the group such as Instagram, LinkedIn and the school's email newsletter
